Large Rope Play Tower

The Large Rope Play Tower is a remarkable landmark that sends an impactful signal of play to all users. A swaying climb up to the first platform of the play tower calls for a break. The climb up to the top platform rewards the children with great viewpoint and not least a stomach-tickling ride back down to the ground. A lot of children can play in the structure, for a long time. Climbing or swaying in the Large Rope Play Tower is challenging. It trains the motor skills' ABC: Agility, Balance and Coordination. Major muscle groups get used when children climb here. The feeling of height and the transparency of the nets when standing on them up high adds thrill and additionally trains important social-emotional skills such as self regulation and courage.
