

COR84200

Performer Dome

The Corocord Performer with its varied colors and climbers is an irresistible invitation to climb, sway and bounce. An open space on ground level, surrounded by swaying ropes and climbing walls make for great variation and numerous users on ground level. The huge horizontal nets allow for numerous children gathering and climbing. The membranes make great destination points, again and again. The variety of climbing and swaying activity invite users from ground level and up. The climbing and hanging on trains the coordination as well as the muscle strength. The vertical, transparent nets allow children to sense and see the height, developing their spatial awareness. The training of cross-coordination, balance and spatial awareness is important for children's ability to navigate for instance traffic safely, judging their own body in space and time.
