

The Navigator is a small world of its own. On the raised deck the children can create their own play universe. Role-play, construction play and physical experiments all take place as the children drive or sail along, climb around the panels, balance on the edge and jump off for a quick escape. Adding to the play, the Navigator can be turned around and repositioned, to head off in a new direction.

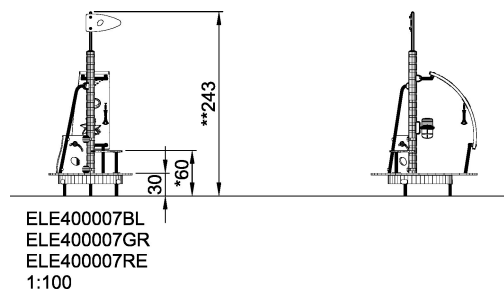

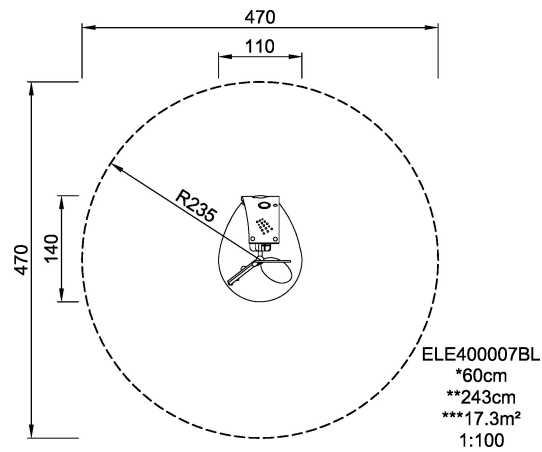

<b>Product Line</b>	ELEMENTS™
<b>Category</b>	ELEMENTS™ PRESCHOOL
<b>Age group</b>	2 - 6
<b>Max. fall height (CM)60</b>	
<b>Total height (CM)</b>	243
