# MUGA, 12x24 meter, Low 1m, Plate Design

The EcoCore™ is a highly durable, ecofriendly material, which is not only recyclable after use, but also consists of a core produced from 100% recycled material. The core has a thickness of 15 mm and is representing 80% of the total material. The fully flat inside gives the best bounce experience when playing. The flat wall becomes a part of the game and adds a new dimension to it. A dimension that can challenge and develop players' tactical vision of the game. The 3 m x 2 m Multi Goal follows the goal size of FIFA Futsal and IHF Handball regulations. The basketball hoop is placed at the official NBA height of 305 cm, and has the official NBA size of 46 cm in diameter.

**Product Line** Multi Use Games Area

**Category** MUGA by Design

**Age group** 3+
