

FRE601901

MUGA, 8x15 meter

KOMPAN
Let's play

The distance between the vertical tubes is small enough to keep even small balls, such as field hockey balls, inside the pitch at all times. By embedding the tubes into the steel frame we have created an extremely vandalism proof Panel that can be placed in the toughest of neighborhoods. The galvanized tubes almost disappear from a distance. This transparent design makes it easy to follow the game and makes the architectural environment stand out. The 3 m x 2 m Multi Goal follows the goal size of FIFA Futsal and IHF Handball regulations.
