

FSW10101 Combi 1 Pro

The Bench provides a perfect training for the core and lower back muscles by doing exercises such as leg lifts and sit ups. Easy grips are created to make sure anyone can do the exercise in a correct way. The Combi 1 is a space efficient combination of essential street workout equipment with a pull up bar, horizontal ladder and bench. A trainer's favorite, because it is the perfect training station for using additional exercise tools, such as suspension trainers and small weights. The Pull Up Bar is made from solid steel and has a diameter of 32 mm. An ideal size for both men and women to have a good grip. As the Bar hangs at a height of 233 cm everyone will be able to hang freely and use the bar for a variety of Pull Ups.
