

FSW20700 Multi Net

A climbing structure with an overhead pull up bar that offers support for varying the difficulty levels of own bodyweight exercises. The Multi Net is perfect as a training tool preparing for climbing movements in obstacle and survival runs. The Multi Net has a clear instruction sign showing the basic exercise and a QR code. By clicking on the QR code users can connect to the KOMPAN fitness App, where they will find multiple exercises and workouts at every level. The Multi Net is standard available in Orange, RAL2010 and Grey, RAL7012. All other RAL colors are available on request. It will always be possible to match the surroundings or color theme!
