**H160 CAROUSEL IS DESIGNED EXCLUSIVELY FOR WHEELCHAIR USERS.**

Once on deck, the wheelchair must be blocked with proper brakes.

 Spinning of carousel must be controlled exclusively by an able-bodied operator outside equipment. For this equipment **the presence of a supervisor of the whole area is mandatory**. It's also mandatory to make **able-bodied users to not access equipment**, especially during closing hours of the playing area. That's to prevent improper use of equipment and its damage.

*Make a proper security surface according to CFH. **Periodic maintenance is mandatory**, following manual supplied to customer.*
