

M168
Ladybird

Lady birds usually crawl on one's finger, before flying away. This one is inviting you to join him. Just climb up, be seated and the little bug will take you for a ride. Hold on to hand- and footholds and the trip can begin.

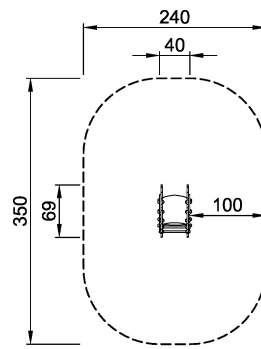

Product Line	Traditional Play
Category	Springers
Age group	2 - 6
Max. fall height (CM)	60
Total height (CM)	79
Safety Zone	7.5 m2
