Fairytale Seesaw

Take a ride with farm animals from the fairytale the Ugly Duckling by Hans Christian Andersen. A large number of players can find space to join the trip on this raft. Safely seated at both ends with hands and feet positioned on secure bars, the youngest will enjoy a good rocking. The more experienced player can sit, lie or stand on the center plate, from where they can influence the ride considerably. All involved players will have to cooperate, to find out how to make the ride a success for all. The soothing movement makes one want to sing and enjoy the rhythm.
