

M525 Steam Engine

The driver's cab features a bench, various knobs and handles for steering the train, whilst the boiler house in front is the shape of an amazing cave with several entrances. A smart addition is the open playroom with seating for two, which is snugly situated just behind the chimney.

Product Line	Themed Play
Category	Vehicles & ships
Age group	2 - 6
Max. fall height (CM)	28
Total height (CM)	165
