

M620

Billy Goat Gruff

The Bush on the Hill is a wonderful trainer of the toddlers' vestibular system. When walking over the hill the sense of balance is trained and stimulated. When climbing under the hill, a whole troll's den is to be found. The physical incorporation of above-below; over-under; up-down, all prepositions for space, furthers the child's understanding of proportions and space.

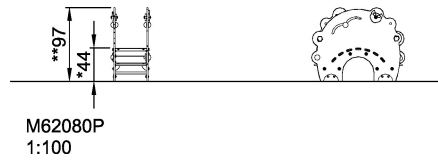

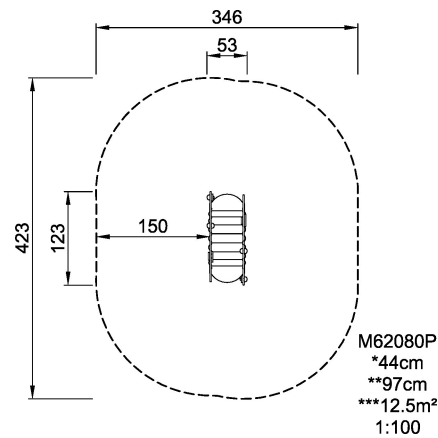

Product Line	Themed Play
Category	Toddler play
Age group	1 - 4
Max. fall height (CM)	44
Total height (CM)	97
Safety Zone	12.5 m ²
