

MSC5401
Cloud Climber

The Cloud Climber is parted into two levels of difficulty, where the lower, slightly inclined rope, is perfect for moving up a step for the one-year olds. The upper level is perfect for toddlers who need more challenge. The slightly inclined rope trains their spatial awareness and balance. On top the toddler can reach a gear that is workable from both sides.

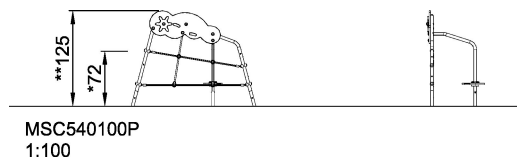

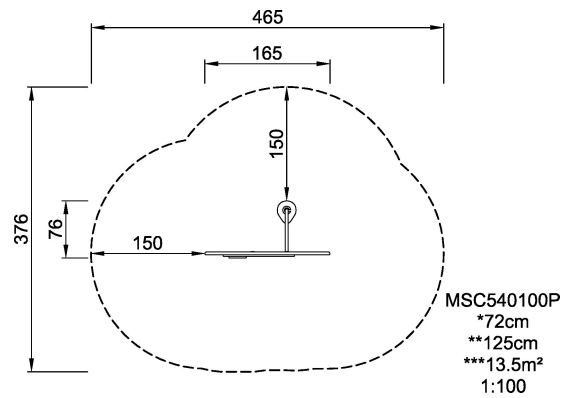

Product Line	Themed Play
Category	Toddler play
Age group	1 - 4
