# Ocean and Jungle Themes

**KOMPAN**  
Let's play

Crossing the ocean to reach mysterious tropical islands in search of new adventures is the theme of Ocean/Jungle. You can steer the ship or move into the jungle cabin, keep watch from the balcony or slide down- all sails are set for a playful journey. On the slanting climbing wall the way up is found with the help of climbing grips and through the holes in the wall you stay in touch with everyone. The clipper offers a bench for rest, while the cabin has its own shop, where supplies can be bought.
