Shop & Service /Rescue themes

KOMPAN
Let's play

With its great shop & service station and a fully equipped fire-engine, the shop & service /Rescue theme can serve every purpose and will offer endless hours of play. Underneath there is shelter in two different spaces. One space for shop keeper or a crew of fire fighters, and a smaller space under the climbing wall to hide and repair a broken wheel or be ready to fill up the next car with petrol. Climbing wall and net access invite climbers to choose their own way to reach the top. To get down fast, fire fighters will choose the fire man's pole on the rescue side.
