# Wip Wap Seesaw

**KOMPAN**<sup>®</sup>  
Let's play

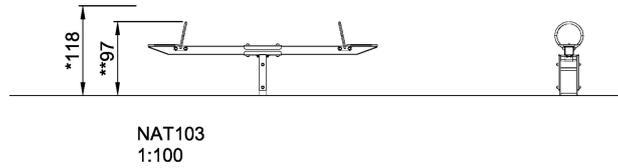

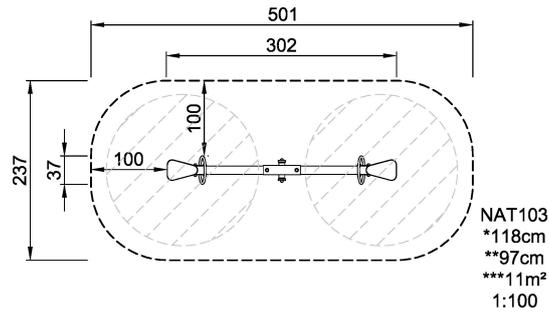

The seesaw is a classic piece of play equipment for training cause and effect as the child sees its movements replicated. The rocking movements affected by the cooperation between players are great for developing the skills of negotiation. The rubber damping unit acts as a safety braking device if one child should suddenly jump off.

<b>Product Line</b>	Traditional Play
<b>Category</b>	Springers
<b>Age group</b>	3 - 8
<b>Max. fall height (CM)</b>	118
<b>Total height (CM)</b>	97
