# Oasis with Sand House with Desk & Crane

The nice cottage on stilts with a sand crane, desk, tables, seats and a large outdoor porch play area where children can play and interact for hours. Through the gable of the house, there is access by an angled ramp to the inside, with small tables at the windows and a larger desk. On one side of the porch, the multifunctional sand crane is positioned on the corner. The easy usable bucket of the crane can be filled with sand and when lifted the crane can be turned by using the round handle - accessible from the platform. Product is available as FSC® Certified (FSC® C004450) robinia wood on request.
