

NRO855
Parcour 5

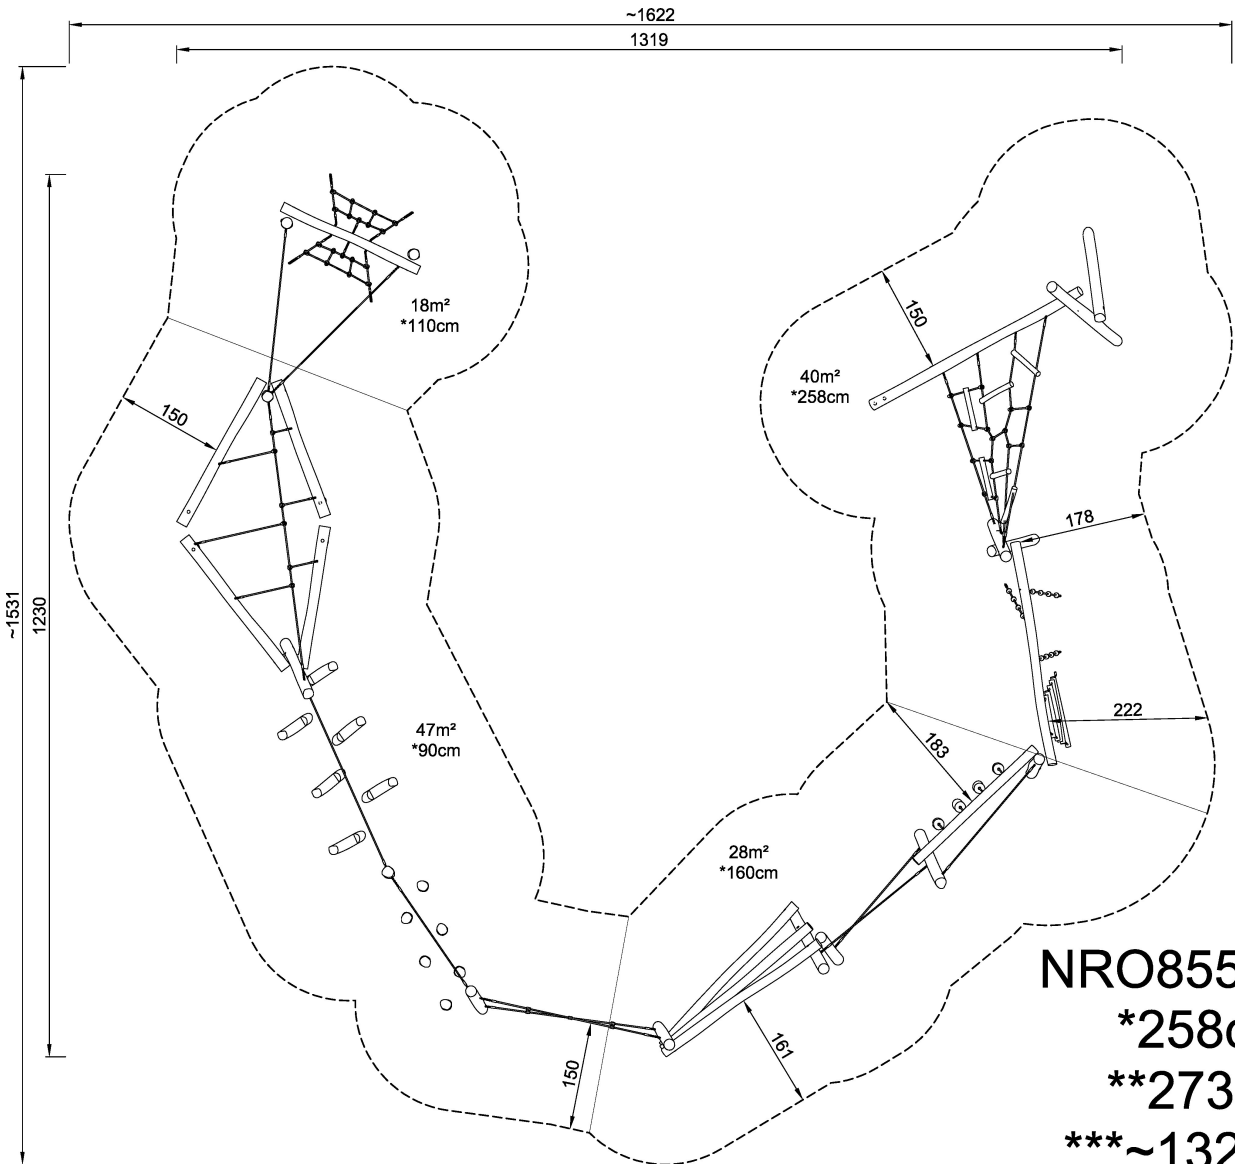

This play structure provides many challenges for the children climbing up to the platform overlooking the playground. All the additional play equipment such as Butterfly rope, Twisted climbing net, Balance rope, balance beams, etc,...are focused on climbing in general, there we have a climbing ropes and climbing nets and ladder. This structure also offers a lot of climbing challenges thus altering the rhythm of the climbing movement and training balance and coordination skills. FSC® Certified (FSC® C004450) robinia wood on request.
