

The Kilimanjaro is an awesome play challenge, attracting all and, thanks to its impressive variation in play possibilities at every level, enticing them to return. Ample thrilling and responsive balancing challenges, along with balancing activities, train the motor skill ABC, agility, balance and coordination. These are fundamental skills for managing in today's 'real' world. The high, high net bridge and the tall curvy slide, offer exhilarating play rewards after having gained self-esteem from conquering the heights. There is 360° climbing in the transparent, bouncy and sturdy play unit. Numerous nooks and crannies and meeting points create areas for social interaction. The ground based features offer opportunities for all abilities to participate in the fun.
