Manipulative Play Panel

KOMPAN[®]
Let's play

The manipulative play panel offers ample opportunity for cause-and-effect and sand play. The numbers can be named and used in play, supporting the child's communication, language and the understanding of numeracy. On the one side, play spheres can be manipulated around the grooves and the steering wheel can set the pace and offer role play scenarios.

Product Line	Themed Play
Category	Toddler play
Age group	2 - 8
Total height (CM)	75
Safety Zone	11.1 m2
