

PCM100303

Play Tower, Physical

KOMPAN[®]
Let's play

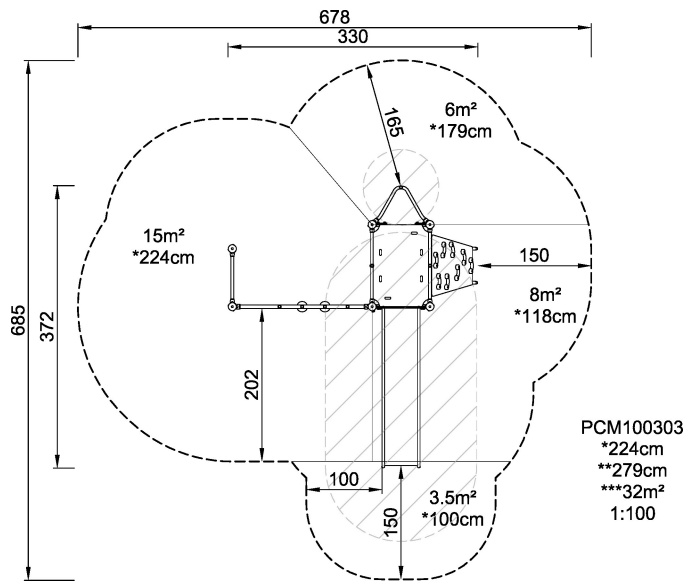

This structure is all support for physical play and activity: the rock climb offers a supportive, inclined climb up with its smiley steps. Once on the platform, there are two exits: the slide, offering stomach tickling, classic joy from a seated position. Or, for the dare devils, the speedy, thrilling fireman's pole which really sparks the sense of space, speed and gravity.
