

The MOMENTS™ Play System allows you to put together a play solution that reflects your ideas. Choose between a large variety of play activities and material options, and your play vision can soon become a reality. The elevated playhouses give a sense of thrill for the young children and add to the fun. Being above ground also trains the child's spatial awareness. The large decks on the structures allow many children to play together at the same time and develop their social skills.

Product Line	Multi play structures
Category	MOMENTS™ Preschool
Age group	2 - 8
Max. fall height (CM)	204
Total height (CM)	320
Safety Zone	37.5 m2
