

PCM101500

Play tower with climbing net, wood posts, plastic slide

KOMPAN[®]
Let's play

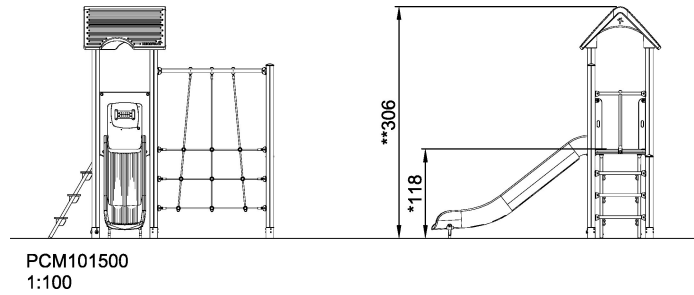

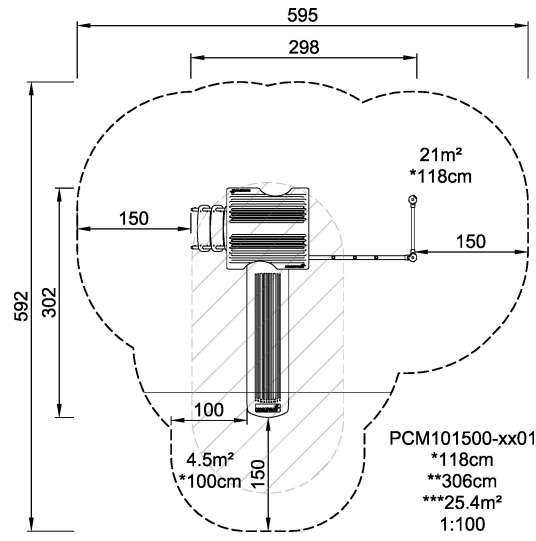

The climbing net on this play tower provides an excellent support for preschoolers' physical development. Children will train their balance and cross-body coordination as they climb up the stars to the high platform. The slide offers a fast exit while the abacus panel encourages use of numbers and counting. At ground level attached to the net, children will also find a climbing bar that they can hang from and do stunts and tricks.

Product Line	Multi play structures
Category	MOMENTS™ MINI Toddler & Preschool
Age group	2 - 6
Max. fall height (CM)	118
Total height (CM)	306
Safety Zone	25.4 m ²
