

PCM300700

Three towers with net & bridge, wood posts, plastic slide

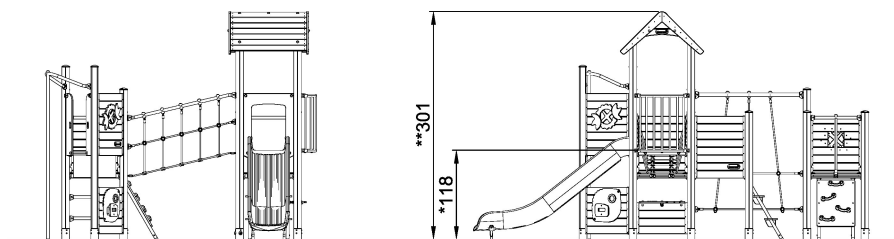

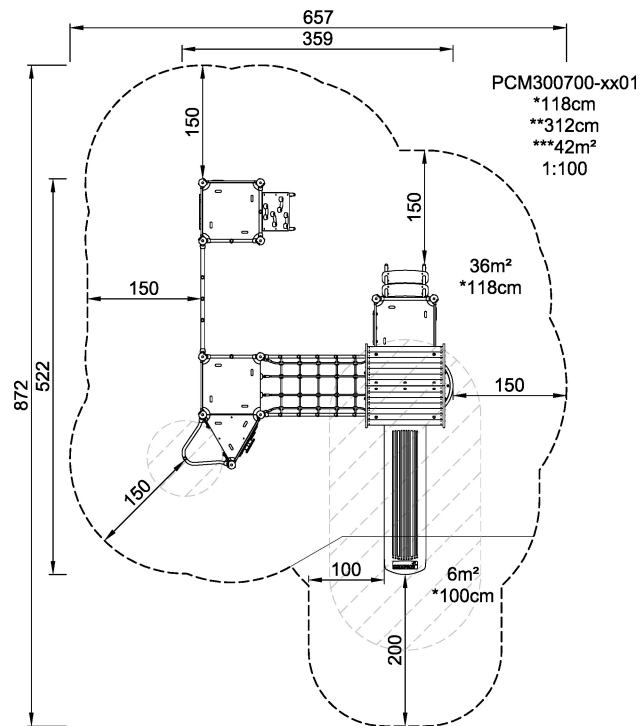

This triple tower connected by a net bridge and a climbing net provides a fun way to move around. Once on the platforms there are other activities than just the slide or the fireman's pole. These include the faces and time panel and a port window panel, which are great for encouraging social interactions.

Product Line	Multi play structures
Category	MOMENTS™ MINI Toddler & Preschool
Age group	2 - 6
Max. fall height (CM)	118
Total height (CM)	312
Safety Zone	42 m2
