# Four tower with overhead ladder & plastic slide

**KOMPAN**<sup>®</sup>  
Let's play

The urban variant draws on the flexible MOMENTS™ Play System – the only difference is the urban look. KOMPAN's urban towers can make children happy in any urban playground or be the breath of fresh air in suburban or countryside playgrounds.

With this unique play system, you can pack your playground full of the children's favourite play activities. You simply hand-pick them when putting together your design.

The assortment also contains new products that have been predesigned to provide easy access for children with disabilities.
